for Standardization  
ISO Standard 11784 & 11785

All Sizes Available  
Mini Temp 1.5mm  
Mini ISO 1.4mm  
Std ISO 2.1mm

About the

# Less Waste System

THINK GREEN

SwissPlus ID Ergonomic, High Impact Premium Implanters incorporate a spring-loaded mechanism for smoother application. The ultra fine ground cannula provides a clean insertion and easier implanting in even the smallest of animals. A double plunger system ensures that the reusable implanter components do not come into contact with blood or animal fluids during the implanting process.

Available in all sizes  
Mini Temp 1.5mm  
Mini ISO 1.4mm  
Std ISO 2.1mm
